

Launch your career

Opportunities' for Students

- Graduate Area Manager
- Operations Internship
- Automation

Come build the future with us

Every year, Amazon offers hundreds of graduates the opportunity to design their path to a successful career.

Starting from Day 1, graduates are given a leadership position with significant responsibilities.

Graduate Area Manager

As Manager, you will be responsible for one of the teams working in our logistics center: the pick-up, storage, picking, packing or shipping team.

- Strive to improve and simplify processes
- Lead teams operating in a multitasking mode and face problems related to logistics
- Be responsible for the safety of your team by promoting Amazon's health and safety standards

Interested in Internships?

We offer real-world experience, showing you just what it's like to work at the highest-level, accelerating the progression of your career, and setting you up for success.

As a student intern, the knowledge and skills you've gained during your studies will come to life.
